

Report Board of Management Meeting

9th December 2024

Expression of Gratitude to Staff

The Board of Management wishes to extend its heartfelt gratitude to the entire school staff for their continued dedication, professionalism, and hard work. In particular, the Board appreciates the significant efforts of staff in taking on additional responsibilities over the past several weeks to ensure the smooth running of the school. Everyone's flexibility, teamwork, and commitment during this time is deeply valued and recognised.

Acknowledgement of Support from Parents and Guardians

The Board recognises and values the tremendous support provided by parents and guardians. Your contributions, including your time, financial assistance, and active engagement in school initiatives, play a vital role in enriching the school community and enhancing the educational experiences of our pupils.

Acceptance into the Nurture School Project

We are pleased to announce that North Bay ETNS has been officially accepted into the Nurture School Project. This significant achievement reflects the school's commitment to promoting emotional well-being, inclusion, and resilience among pupils. The Board looks forward to the opportunities this project will bring in further supporting our pupils and strengthening the school community.
